FALL & WINTER STYLE GUIDE

Fabrication Glossary

100% COTTON FACE

A fabrication where the exterior of the garment is made entirely from cotton yarn, producing the ultimate printing surface.

POLYESTER

A synthetic fabric made from polymer fibers, known for its resistance to wear and tear.

50/50

A balanced blend of cotton and polyester, combining softness with durability.

COTTON-RICH

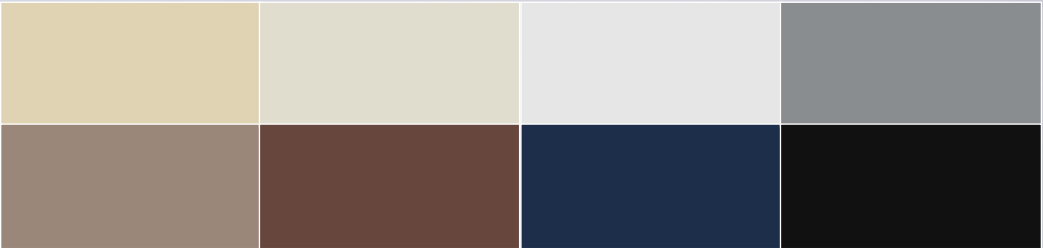

A fabric featuring a high cotton content blended with polyester for added softness and versatility.

POLY-RICH

A fabric that is predominately polyester, often blended with other materials like cotton or spandex, to enhance comfort, durability, and performance.

Seasonal Statement Colors

Fall/Winter 2026 brings a return to substantial fabrics, cozy layering, and effortless everyday style. As temperatures drop, consumers are looking for apparel that feels as good as it looks — from heavyweight crewnecks and brushed fleece to soft flannels and relaxed outer layers. These versatile pieces are a natural fit for fall festivals, tailgates, brewery events, outdoor gatherings, and holiday gifting — giving brands a comfortable way to stay visible throughout the colder months.

NEW

Independent PRM180LST Unisex Premium Long Sleeve T-Shirt

The Independent Trading Co. Unisex Premium Long Sleeve T-Shirt delivers comfortable everyday wear with a versatile standard fit that works well for a wide range of branded apparel programs. Made from 5.3 oz. ring-spun cotton with a smooth 26-singles construction, this long sleeve tee offers a comfortable feel with enough substance for year-round layering and standalone wear. Details including 1x1 neck ribbing and jersey neck taping provide a clean, finished look.

- Ring-spun cotton construction provides a comfortable everyday feel
- 5.3 oz. fabric offers versatile weight for layering or standalone wear
- Standard unisex fit accommodates a wide range of branded apparel programs
- 26-singles construction creates a smooth fabric surface
- 1x1 neck ribbing provides a classic, finished neckline
- Jersey neck taping adds structure and a clean interior finish
- Tear-away label allows for easier customization and rebranding
- Long sleeve design provides additional coverage for year-round wear

NEW

AS Colour 5410 Rugby Jersey

The AS Colour Rugby Jersey delivers a classic athletic-inspired look with substantial heavyweight construction and a comfortable relaxed fit. Made from 8.2 oz. carded cotton, this rugby jersey features a traditional white drill collar, herringbone tape at the placket, and ribbed cuffs for an elevated, structured appearance. Side splits at the hem provide additional ease of movement, while the side-seamed construction and double-needle hems add durability for repeated wear.

- Heavyweight 100% carded cotton construction for a substantial feel
- Relaxed fit provides comfortable, casual styling
- Classic white drill collar creates a traditional rugby-inspired look
- Herringbone tape reinforces the placket and adds a refined detail
- Ribbed cuffs and side splits at the hem enhance comfort and styling
- Side-seamed construction with double-needle hems for added durability
- Preshrunk fabric helps minimize shrinkage
- Suitable for screen printing, DTG printing, and embroidery

NEW

Comfort Colors 1566L Women's Garment-Dyed Mid-Length Sweatshirt

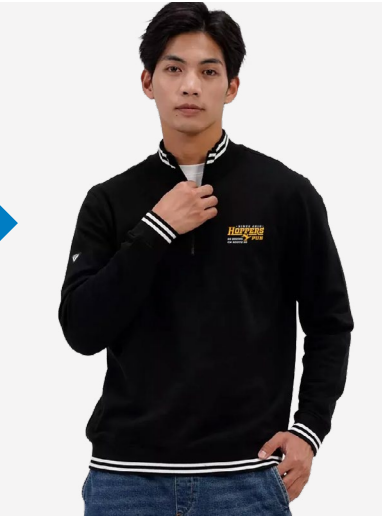

The Comfort Colors Women's Garment-Dyed Mid-Length Crewneck Sweatshirt combines premium comfort with modern styling, making it an excellent choice for elevated branded apparel programs and retail-inspired merchandise. Made from heavyweight ring-spun cotton blend fleece, this sweatshirt delivers a soft, lived-in feel right out of the box while maintaining durability for everyday wear.

- Heavyweight 9.5 oz./yd² fleece construction for warmth and durability
- Made from an 80/20 ring-spun cotton/polyester blend with a soft hand feel
- Garment-dyed finish creates a lived-in appearance with minimal shrinkage
- 100% ring-spun U.S. cotton face enhances screen printing and decoration quality
- Relaxed fit with a flattering mid-length silhouette
- Rolled forward drop shoulder construction delivers a modern, casual look
- Back neck patch allows for easy customization and private labeling
- Signature twill label and back neck twill tape provide added comfort and durability

NEW

Levelwear XC70L Sportsman Men's 1/4 Zip

The Levelwear Sportsman Men's 1/4 Zip delivers classic athletic-inspired style with everyday comfort, making it an excellent choice for corporate apparel, team outfitting, and branded merchandise programs. Constructed from a soft blend of cotton and recycled polyester, this quarter-zip pullover provides a comfortable feel while maintaining the durability needed for frequent wear. The stand-up collar and contrast stripe detailing add a polished, sporty look that transitions seamlessly from the office to the golf course and beyond.

- Soft and durable cotton-rich fabric blend for all-day comfort
- Made with recycled polyester to support sustainability initiatives
- Quarter-zip front allows for adjustable comfort and versatile styling
- Stand-up collar provides a polished, athletic-inspired appearance
- Forward shoulder seams enhance mobility and fit
- Contrast stripe detailing on the collar, cuffs, and waistband adds visual interest

NEW

Holloway 223782 Women's Heritage Prep Quarter-Zip Pullover

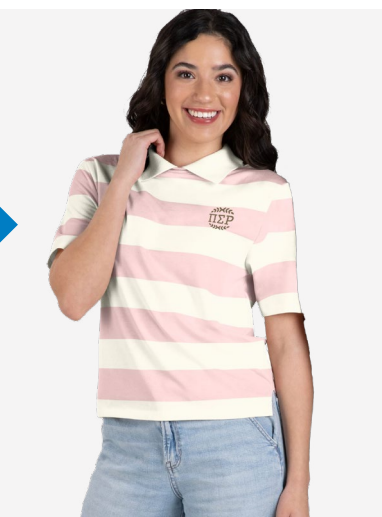

The Holloway Women's Heritage Prep Quarter-Zip Pullover combines timeless collegiate-inspired style with modern comfort for a polished, everyday look. Made from soft sport French terry fabric with a touch of stretch, this lightweight pullover offers a relaxed fit that's ideal for layering in the office, on campus, or at team events. The wide fold-down collar, dropped shoulder sleeves, and modest cropped length create a contemporary silhouette that is both comfortable and versatile.

- Soft 9 oz./yd² sport French terry fabric with added stretch for all-day comfort
- Modern, relaxed fit with a modest cropped length for contemporary styling
- Quarter-zip neckline with a wide fold-down collar for a polished appearance
- Dropped shoulder sleeves provide enhanced mobility and a relaxed feel
- Two-color rib-knit cuffs and bottom band add classic athletic-inspired detail
- Hanger loop label offers convenient storage and is ideal for custom branding programs

NEW

Holloway 226302 Women's Prep Street Rugby Crop T-Shirt

The Holloway Women's Prep Street Rugby Crop T-Shirt blends classic rugby-inspired styling with modern comfort, making it a fashionable choice for teams, schools, retailers, and promotional apparel programs. Constructed from a soft polyester, viscose, and cotton yarn-dyed striped jersey, this lightweight crop tee offers a relaxed boxy fit with a modest cropped length for a contemporary look that remains comfortable throughout the day.

- Soft 6 oz. polyester, viscose, and cotton yarn-dyed stripe jersey fabric
- Relaxed boxy fit with a modest cropped length for modern style
- Ribbed-knit collar provides a comfortable, finished neckline
- Set-in sleeves offer a classic fit and unrestricted movement
- Side vents enhance comfort and everyday wearability
- Tagless label improves comfort and is ideal for custom branding

PANTS

Boxercraft BM6624 Harley Flannel Pants

The Boxercraft Harley Flannel Pants are designed for comfort, warmth, and everyday relaxation. Made from 4.3 oz./yd² 100% double-brushed cotton flannel, these pants offer an ultra-soft feel with breathable durability. The relaxed fit provides easy movement, while the self-elastic folded waistband and twill drawcord allow for a secure yet adjustable fit.

- 4.3 oz./yd², 100% double-brushed cotton flannel
- Relaxed fit for comfort and ease of movement
- Self-elastic folded waistband with adjustable twill drawcord
- Convenient side seam pockets
- Woven loop label detail
- Customization-friendly for screen printing or embroidery

PANTS

Cotton Heritage M7580 Premium Jogger Unisex

The Cotton Heritage Premium Jogger delivers elevated comfort with a retail-quality finish designed for modern, everyday wear. Constructed from 8.5 oz. 3-end fleece with a 100% cotton face and soft-washed feel, these joggers provide exceptional softness and durability. The cotton-rich exterior enhances print clarity, making them an ideal choice for high-quality branded apparel programs.

- 8.5 oz. 3-end fleece with 100% cotton face for superior printability
- 65/35 cotton/poly blend (Heathers: 55/45 cotton/poly)
- Soft-washed for enhanced comfort
- Unisex tapered fit with ribbed bottom cuffs
- Ribbed gusset at crotch for flexibility and durability
- Ribbed waistband with flat draw cords
- 5-thread stitching for long-lasting construction
- Angled side pockets and single back pocket
- Tear-away label for comfort and easy relabeling

The Independent Women’s California Wave Wash Sweatpants deliver laid-back comfort with a uniquely worn-in aesthetic. Crafted from 7 oz./yd² (US) 52/48 ringspun cotton/polyester 3-end fleece, these sweatpants are garment washed for an ultra-soft feel and distinctive vintage character. Designed with a standard fit, they offer everyday versatility for lifestyle branding, retail programs, and promotional apparel collections.

- 7 oz./yd² (US) 52/48 ringspun cotton/polyester 3-end fleece
- Garment washed for ultra-soft Wave Wash feel
- Standard women’s fit
- Elastic waistband with shoestring drawcord
- 1x1 ribbing at ankle cuffs
- Blind stitch and coverstitch construction
- Jersey-lined hand pockets
- Sewn eyelets
- Woven label

GOOD

Gildan 2400 Ultra Cotton Long Sleeve T-Shirt

The Gildan Ultra Cotton Long Sleeve T-Shirt is a durable heavyweight tee designed to provide comfort, structure, and long-lasting performance. Constructed from 6 oz. cotton fabric, this long sleeve shirt offers a substantial feel while maintaining softness through improved cotton technology. The classic fit and ribbed cuffs make it a comfortable choice for everyday wear, layering, or cooler weather.

- 6 oz. cotton fabric for durable, heavyweight comfort
- Made with 100% U.S. cotton using improved soft cotton technology
- Classic fit designed for relaxed everyday wear
- Ribbed collar and ribbed cuffs help maintain shape
- Taped neck and shoulders for enhanced comfort and durability
- Tear-away label for tag-free comfort or easy relabeling
- Smooth cotton surface designed for high-quality printing

BETTER

Bella + Canvas 3501 Filmore Long Sleeve T-Shirt

The Canvas Filmore Long Sleeve T-Shirt combines lightweight comfort with a modern retail fit, making it a versatile option for branded apparel and everyday wear. Made from premium Airlume combed and ringspun cotton, this long sleeve tee offers a soft feel and a smooth surface that is ideal for custom decoration. The tailored silhouette and clean design create a stylish look suitable for both casual outfits and promotional programs.

- Soft Airlume combed and ringspun cotton for premium comfort
- Lightweight construction suitable for year-round wear
- Retail fit with side-seamed construction for improved shape retention
- Ribbed sleeve cuffs provide a comfortable and secure fit
- Coverstitched collar enhances durability and finish
- Smooth fabric surface ideal for custom printing and branding
- Tear-away label for easy rebranding and added comfort

BEST

Comfort Colors 6014 Pigment Dyed Long Sleeve T-Shirt

The Comfort Colors Pigment Dyed Long Sleeve T-Shirt offers premium comfort with a relaxed, vintage-inspired look. Made from soft ring spun cotton and finished with a garment-dyed process, this shirt delivers a broken-in feel and rich, washed-down color tones. The soft-washed fabric continues to become even more comfortable over time, making it a favorite for casual apparel and retail-style branded merchandise.

- Premium ring spun cotton for softness and durability
- Soft-washed garment-dyed fabric creates a vintage, lived-in feel
- Long sleeves with ribbed cuffs for added warmth and comfort
- Double-needle stitched collar and bottom hem for durability
- Twill taped neck and shoulders enhance structure and strength
- Relaxed styling suitable for casual and retail apparel programs
- Classic pigment-dyed finish develops character over time

GOOD

Made from 5.4 oz. cotton, this long sleeve tee offers a traditional feel with dependable structure, making it a go-to option for promotional programs, team apparel, and corporate branding.

- 5.4-ounce, 100% cotton
- Athletic Heather: 90/10 cotton/poly
- Dark Heather Grey, Heather Navy & Neon Pink: 50/50 cotton/poly
- Side seamed with contoured body for a feminine fit
- Rib knit collar
- Back neck tape for added durability
- Open hem cuffs
- Removable tag for comfort and relabeling
- Ideal for screen printing, heat transfer, or embroidery

BETTER

District Threads DT132L Ladies Perfect Tri Tunic T-Shirt

The District Threads Ladies Perfect Tri Tunic T-Shirt offers a stylish, extended-length take on a classic long sleeve tee. Made from a soft tri-blend fabric of polyester, combed ring-spun cotton, and rayon, this lightweight shirt delivers exceptional comfort with a smooth, modern drape. The longer tunic length and curved hem create a flattering silhouette that pairs well with leggings, jeans, or casual workwear.

- Lightweight 4.5 oz. tri-blend fabric for softness and comfort
- 50/25/25 polyester, combed ring-spun cotton, and rayon blend
- Longer tunic-style length creates a flattering modern silhouette
- Curved hem adds style and improved coverage
- Raw edge design details provide a relaxed, contemporary look
- Coverstitch detailing enhances durability and style
- Rib-knit elongated cuffs for added comfort and fit
- 1x1 rib knit neck maintains shape
- Tear-away label for comfort and easy rebranding

BEST

Port & Co. LPC450VLS Ladies Fan Favorite Long Sleeve V-Neck T-Shirt

The Port & Co Ladies Fan Favorite Long Sleeve V-Neck T-Shirt combines lightweight comfort with a flattering feminine fit. Made from 4.5 oz. 100% ring spun cotton (30 singles), this ultra-soft tee offers a smooth feel and excellent printability, making it a dependable choice for branded apparel programs.

- 4.5-ounce, 100% ring spun cotton (30 singles)
- Athletic Heather: 90/10 cotton/poly
- Dark Heather Grey: 50/50 cotton/poly
- Ladies fashion fit
- Classic V-neck styling
- Rib knit collar
- Shoulder-to-shoulder back neck taping for durability
- Removable tag for comfort and easy relabeling
- Smooth surface ideal for screen printing or heat transfer

GOOD

Gildan 18000 50/50 Sweatshirt

The Gildan Heavy Blend Sweatshirt is a comfortable and durable fleece crewneck designed for everyday wear and long-lasting performance. Made from an 8 oz. cotton and polyester blend, this sweatshirt offers reliable warmth while maintaining a soft feel. The fabric is produced using advanced MVS Air spinning technology, which uses finer yarns to help reduce pilling, enhance durability, and create a smoother surface ideal for printing.

- 8 oz. cotton/poly fleece for warmth and durability
- MVS Air spinning technology reduces pilling and enhances fabric strength
- Smooth fleece surface designed for excellent print results
- Classic fit provides comfortable everyday wear
- 1x1 ribbed collar, cuffs, and waistband with spandex for stretch and recovery
- Tear-away label for tag-free comfort or easy relabeling

BETTER

Independent SS3000 Crew Neck Sweatshirt

The Independent Crew Neck Sweatshirt offers dependable comfort and premium printability, making it a popular choice for custom apparel and branded merchandise. Constructed from soft cotton and polyester fleece, this midweight sweatshirt provides warmth without excessive bulk, delivering everyday comfort for work, casual wear, or promotional programs. The smooth cotton face yarn on solid colors enhances softness while creating an ideal surface for high-quality printing.

- Midweight 8.5 oz. fleece for warmth and comfort
- Soft cotton and polyester blend designed for durability
- 100% cotton face yarn on solid colors for superior print quality
- Split stitch double-needle sewing on all seams for added strength
- 1x1 rib knit collar, cuffs, and waistband maintain shape
- Twill neck tape adds comfort and reinforcement
- Standard fit suitable for everyday wear
- Tear-away neck label for comfort and easy rebranding

Richardson R55 Garment Washed Twill Cap

The Richardson Garment Washed Twill Cap offers classic “dad hat” styling with relaxed comfort and everyday versatility. Constructed from durable 100% cotton twill and finished with a garment-washed treatment, this cap provides a soft, broken-in feel right out of the box. The relaxed, unstructured design creates a casual silhouette that pairs easily with lifestyle apparel, promotional merchandise, and company-branded apparel programs.

- 100% cotton twill construction for durability and comfort
- Garment-washed finish for a soft, broken-in feel
- Relaxed unstructured crown for classic dad hat styling
- Pre-curved visor for timeless casual appearance
- Cotton sweatband for breathable comfort
- Adjustable cloth hideaway backstrap for a clean fit
- Wide range of solid color options for branding flexibility

Richardson 256 Umpqua Cap

The Richardson Umpqua Cap delivers distinctive outdoor-inspired style with functional comfort designed for everyday adventure. Inspired by Oregon’s scenic Umpqua River—known for rafting, fishing, and hiking—this cap features a unique design that stands out in both outdoor and lifestyle apparel collections. Its combination of soft structure, rope accent, and modern flat bill creates a bold look that works well for retail merchandise and branded promotional apparel.

- Durable 70% cotton / 30% nylon fabric blend
- Soft-structured crown with reinforced flip-down mesh support
- Five-panel construction with low-profile fit
- Flat bill visor for modern styling
- 5mm rope accent across visor for distinctive outdoor look
- Adjustable snapback closure for customizable fit

OGIO OG604 Performance Cap

The OGIO® Performance Cap is a premium headwear option engineered for comfort, durability, and active lifestyles. Constructed from a 94/6 poly-spandex micro ripstop fabric, this cap delivers lightweight performance with enhanced durability. A durable water-repellent (DWR) finish helps the cap resist moisture and even stay afloat if dropped in water, making it an excellent choice for outdoor activities, sporting events, and branded apparel programs.

- 94/6 poly-spandex micro ripstop construction for durability and comfort
- Durable water-repellent (DWR) finish helps resist moisture and allows the cap to float in water
- Moisture-wicking sweatband enhances comfort during active wear
- Moisture-wicking front panel lining helps manage perspiration
- Breathable perforated mid and back panels improve airflow
- Structured, mid-profile design offers a modern athletic appearance
- 7-position adjustable snapback closure provides a customizable fit
- Matte black silicone OGIO® icon detail at the left keyhole opening

BEANIES

Sportsman SP12 12-inch Knit Beanie Hat

The Sportsman 12-Inch Knit Beanie delivers classic cold-weather comfort with a timeless knit design. Made from soft acrylic knit yarns, this beanie provides warmth, durability, and a comfortable stretch fit. Its simple yet versatile style makes it a popular choice for everyday winter wear, outdoor events, and promotional headwear programs.

- Soft knit construction provides warmth and comfortable stretch
- Classic 12-inch beanie design suitable for cold-weather wear
- Adjustable cuff allows space for embroidery and custom branding
- Durable acrylic knit resists shrinking and maintains shape
- Wide range of colors available for team or brand matching
- Comfortable design suitable for everyday winter use

Made from soft, stretchable rib-knit acrylic, this classic beanie provides reliable insulation while maintaining a comfortable fit that stays securely in place. Its clean, minimalist design makes it a versatile accessory suitable for job sites, outdoor activities, and everyday wear.

- Soft 100% acrylic rib-knit fabric provides warmth and comfort
- Stretchable knit construction offers a secure, stay-put fit
- Classic watch cap design suitable for work or casual wear
- Lightweight yet insulating for cold-weather conditions
- Durable construction built for everyday use
- Carhartt label sewn on the left side
- Updated version of the classic CTA18 watch cap

BEANIES

Richardson 147 Slouch Knit Beanie Hat

The Richardson Slouch Knit Beanie Hat combines modern streetwear style with everyday comfort, making it a versatile accessory for cooler weather. Made from soft 100% acrylic, this lightweight knit beanie delivers warmth with a wool-like feel while remaining breathable and comfortable for extended wear. Its relaxed slouch profile gives it a casual, laid-back look that works well for everything from winter outings to everyday urban style.

- Soft 100% acrylic knit provides warmth with a wool-like feel
- Slouch-style design offers a relaxed, modern look
- Lightweight construction for comfortable everyday wear
- Stretch knit fabric adapts comfortably to most head sizes
- Clean knit surface ideal for embroidered logos or patches
- Stylish design suitable for casual, outdoor, or winter apparel

BEANIES

Richardson 146 Waffle Knit Beanie Hat with Cuff

The Richardson Waffle Knit Beanie Hat with Cuff delivers classic cold-weather style with dependable warmth and comfort. Made from mid-weight acrylic with a distinctive waffle knit texture, this beanie provides lightweight insulation while maintaining a soft, wool-like feel. Its versatile design makes it a popular choice for promotional apparel, corporate merchandise, and retail winter accessories.

- Mid-weight acrylic waffle knit construction
- Soft wool-like feel with lightweight warmth
- Four top-seam knit design for classic beanie shape
- Fold-over cuff ideal for embroidery or patches
- Comfortable stretch fit for everyday wear
- Versatile style suitable for promotional or retail use

BEANIES

Legacy KZZB Zig Zag Cuff Beanie Hat with Pom

The Legacy Zig Zag Cuff Beanie Hat with Pom brings bold color and playful design to cold-weather headwear. Featuring a dynamic zig-zag knit pattern and a tri-color pom, this beanie adds personality while delivering warmth and comfort. Customized with your logo, it's a standout accessory for brands looking to make an impact during the colder months.

- Bold zig-zag knit pattern with multiple color options
- Tri-color pom adds visual interest and personality
- Cuffed knit design ideal for custom logo decoration
- One-size-fits-all (OSFA) construction
- Designed for warmth and cold-weather comfort

BEANIES

Richardson 141 Chunk Twist Knit Beanie Hat with Cuff & Pom

The Richardson Chunk Twist Knit Beanie Hat with Cuff & Pom combines cozy warmth with stylish winter fashion. Featuring a thick gauge cable knit design and an oversized pom, this beanie delivers a bold, textured look that stands out in cold-weather apparel collections. Its chunky knit construction not only adds visual appeal but also helps provide reliable insulation during colder months.

- Thick gauge cable knit design for warmth and texture
- Oversized pom for modern winter styling
- 100% acrylic fabric with soft wool-like feel
- Slouch-style fit for relaxed comfort
- Fold-over cuff suitable for custom patches or woven labels
- Lightweight knit provides warmth without bulk

NEW

Shadow Shifter’s Color Changing T-Shirt

The Shadow Shifter’s Color Changing T-Shirt brings an interactive twist to branded apparel with heat-reactive technology that changes the fabric’s color in response to body heat, touch, and changes in ambient temperature. Made from 100% ring-spun cotton, the shirt combines a soft, breathable feel with thermochromic dye embedded directly into the fabric for an eye-catching color-changing effect without requiring sunlight.

- Heat-reactive fabric changes color in response to touch and temperature
- Made from soft, breathable 100% ring-spun cotton
- Thermochromic dye is embedded directly into the fabric
- Does not require sunlight or UV exposure to activate the color-changing effect
- Interactive design helps attract attention to branded apparel
- Machine washable for convenient care and repeated wear

NEW

TravisMathew TMA42219 Women’s Momentum Shift 1/2-Zip

The TravisMathew Women’s Momentum Shift 1/2-Zip delivers lightweight warmth, a super-soft feel, and polished styling for comfortable layering throughout the day. Made from an 8.9-ounce polyester, viscose, and elastane blend, this versatile pullover offers comfortable stretch with a smooth, elevated look. A dyed-to-match zipper creates a streamlined finish, while convenient side pockets add everyday functionality for work, travel, events, and casual wear.

- Soft polyester, viscose, and elastane blend for comfortable everyday wear
- Lightweight warmth makes it a versatile layering piece
- Elastane provides added stretch for comfortable movement
- Half-zip design allows for easy layering and adjustable coverage
- Dyed-to-match zipper creates a clean, coordinated appearance
- Side pockets provide convenient storage and functionality
- Versatile styling transitions easily from workdays to weekends
- TravisMathew heat transfer logo at the bottom left hem

NEW
