2024 CHRYSLER PACIFICA

Pacifica Continues Leading Legacy

PRESS RELEASE

For 40 years, Chrysler has led the minivan segment — a segment the brand invented — and that decades-long legacy of innovation continues with the 2024 Chrysler Pacifica and 2024 Chrysler Pacifica Plug-In Hybrid.

The first minivan to offer both gas and hybrid powertrains and still the only one in the segment to offer a plug-in hybrid, the Pacifica Plug-In Hybrid is also the only minivan eligible for a \$7,500 federal tax credit.

The Pacifica lineup includes the premium Pinnacle model, which features the most luxurious interior in its class. Pacifica delivers available all-wheel-drive (AWD) capability paired with Pacifica's class-exclusive Stow 'n Go seating, as well as the available Stow 'n Vac system. The available FamCAM interior camera offers a bird's-eye view of rear-facing child-seat occupants. Pacifica was first with available Amazon Fire TV integrated into the Uconnect Theater System. Pacifica offers the largest available sunroof in the segment and the most innovative seating and storage in its class, with seating available for up to eight passengers, as well as 243 different seating configurations for the Pacifica and 81 seating configurations for the
