Remove the protective film from the lens.

## RO Channel - Installation Instructions

## Please read all instructions prior to installation and keep for future reference!

- 1. Product should be installed by a qualified electrician.
- 2. Prior to installation ensure power is off at fuse box to prevent electrical shock.

7777 Merrimac Ave Niles, IL 60714 T 224.333.6033 F 224.757.7557 info@luminii.com www.luminii.com

Once the RO extrusion is assembled with all parts and accessories, connect wires from Line LED to appropriate power supply. For more information please refer to power supply and Line LED wiring instructions.

If required for installation cut down the RO aluminum extrusion to desired length with hacksaw or miter saw
