All Drs know. They all know what was done to your client by BEDWARDS POTTINGER David. My body will not heal. Bc I have so much cancer. You will not get away with any of it bc we have souls and our souls require GOOD. You have to do good. You legit have no choice. You could easily fix everything you/Stan/Simone/Sigrid/BEDWARDS broke.

> 🙏 Will I survive long enough? Why am I the only one not rewarded for my valor? Why does the FBI still pretend I never reported, even though I have the redacted 2006 report which makes it clear they sought my testimony concerning my 1996 reports. Why won't a soul in the government do the honorable thing and provide my reports?! They caused so much cancer. When do I get an ounce of erased valor?

> BEDWARDS stole my mind via his only law partner, then screamed at me when I insisted that man never be near another female. He said I wasn't worthy of a mil bc "not EVEN raped", then claimed the professional adult "sex workers"/pimps are priceless bc "raped". They took a job as professional prostitutes and you are rewarding them per "rape"? When does the person who brought this case forward get one ounce of respect?!

> The adult coconspirators were paid according to how long they committed crimes, just as Epstein paid everyone. I wasn't compensated bc I wasn't an adult sex worker?! Please help this stop. I stayed 13 years committing crimes against women. They have paid her tens of millions Jennifer! Cuomo stayed six and copiloted the human trafficking plane. The lawyers didn't feel I deserved enough for surgery.

> The podcast mafia credits itself with erasing my valor. They claim I'm a "CIA" agent bc Pottinger SODOMIZED me and bc he and BSF/BEDWARDS made me sign an LLC in 2017, claiming it would provide a "few hundred dollars" for medical needs. It never paid \$1, but the crazy WEBBMORE/Kraus crowd fully claims I'm a proven CIA agent bc of that LLC.

> David, when do you stop watching the abuse? Do you always just SIT THERE EATING SALT? Or do you pretend to be a human who cares about [REDACTED]...the 3 you used most?! YOU MADE A FORTUNE BC YOU USED US. Everyone sees it all, including GOD.

> THIS GOVERNMENT AND THE CROOKS WHO MISREPRESENTED WE VICTIMS, both will fail ultimately. GOD IS GOOD. How can evil continue to prevail?

> Everyone believes the defamation written about me! FIX IT NOW DAVID BOIES!!!!!!!!!!!!!! YOU CREATED MY NIGHTMARE AND I AM BACK IN HIDING! These criminals claim I wasn't in hiding 23 years! They even stole my suffering FFS. FIX IT BEFORE I DIE.

> This man has never met me. He called once from Webb's number and I hung up immediately. These ppl are demons and the government just sits there watching!!! 🤡🤡🤡

> SOMEONE PLEASE DO SOMETHING.

What is the main cause of fissures?

Anal fissures are most commonly caused by **damage to the lining of the anus or anal canal**, the last part of the large intestine. Most cases occur in people who have constipation, when a particularly hard or large poo tears the lining of the anal canal.
