This email is to honor a true hero. I woman I would have given anything to hug. I would have given anything to have a daughter like her. She was a woman who inspired my art over seven years. A beautiful mother. A hero to me. THIS IS THE SADDEST MY HEART HAS EVER FELT!

PODMOBsters made her suffer endlessly. I hope everyone is deeply ashamed. Whitney Webb was a nightmare for us all, the last few years. All bc I picked up my phone to a cold call the day following brain radiation surgery. Katie thought it was funny/clever to force those faces in our faces as I begged for mercy. ALL OF YOU ARE NOT WORTH MY BREATH! I tried to protect my hero and you LAUGHED AT ME! BE ASHAMED KIM/Katie and all podcast mob! Candace stop abusing victims! All of you STOP IT WITH YOUR BS CONSPIRACIES ABOUT EPSTEIN/DIDDY/TATE bc you were never there! You harmed my hero you EFFERS! She is dead. Are you happy?

Sigrid and David used her until she was worn out and they never told her how much we love her. Instead they kept using her for personal gain. BRAD STARTED THE USURY OF [REDACTED]!!! He dragged her through mud for personal gain just as he dragged me, and she said "Brad really outgrew his britches". YOU BETTER NOT MAKE AN OPPORTUNISTIC STATEMENT BEDWARDS YOU PERVERTED NASTY AF USER WHO SLEPT WITH YOUR LAW PARTNER WHILE YOU TRAFFICKED [REDACTED] TO YOUR ONLY MALE LAW PARTNER!!

ANGELA THE FBI "agent" just "erased" my report this week and now I hope she is thrilled with herself? Your goal at FBI is to drive everyone to suicide, isn't it? I suspect that is the goal of WHITNEY WEBB AND ALL PODMAFIA AS WELL! They have been ruthless and will never be forgiven by a victim alive. SERIOUSLY I DETEST THE VERY SIGHT OF ALL OF YOU! I told you this wasn't a game Kim. You irrelevant creatures took ownership of our suffering, and erased us! You treated our case like it's a game.

WHAT WILL IT TAKE TO MAKE LIARYERS, FBI, and Podcast mob behave?! WHAT WILL IT TAKE?!

In honor of [REDACTED] I won't tell you how much I hate everyone who used her. I lived in fear 24/7 she would be harmed. Instead of sharing my hatred of your actions, I'm insisting everyone do right by my hero and honor her name! STOP HONORING BAD "journalist" conspiracy peddlers who used our suffering for years as we watched/endured/vomited! I blame myself for picking up the phone. I blame BRAD/DAVID/SIGRID for

killing my hero via usury. Not one of you will be forgiven by my sister and I. Not one of you. SO DO YOUR DAMN JOBS AND BEG THE WORLD TO SEE HOW BRAVE THIS ANGEL WAS!

HONOR HER FOR THE LOVE OF GOD!!! HONOR MY HERO!!!
