David BOIES,

Can you fathom my dear mother's restraint? She has deep hatred for every one of you BSF/BEDWARDS "lawyers". You used her too. Used my baby sister and then gave her 1/3 of the other person testifying who was given least. We all know the [REDACTED] chick got 5 mil, then 3 from banks. So how is [REDACTED] worth 1/5 of the chick who committed perjury? Every journalist told me it was [REDACTED] credibility and my initial reports that led to Maxwell's incarceration. So you thought she was worth 1/3-1/5 of the others? Thats odd bc I happen to think she's the most worthy human on this earth. I think this of [REDACTED] etc...of all the victims. I think the world of the actual victims. The employees are another thing entirely. So you made me watch you grant LONG TERM RUTHLESS EMPLOYEES 7.4 mil + 3 mil each cause "banker once". #EXTORTION Staley wasn't there daily committing crimes. Your client was! SIX YEARS STRAIGHT. Then you gave her my private contact info and I still haven't recovered, as I hid from her 6 years!!!! You showed zero respect for how much trauma these ruthless ADULT FEMALE sex workers induce in one of their victims. Ask [REDACTED] 🙄🙄 It is not different from the female teachers being arrested for sexual activities imo. You rewarded the criminals and stole from the sole whistleblower. How can I survive?

Not only was I torn in half by BSF/BEDWARDS law partner/bestie, my brain was destroyed by the theft of my compensation. Everyone just expects me to accept this theft of MILLIONS? I received less than a woman who shared a cab with Epstein. WHY

DID YOU LELCHUK ME INTO OBLIVION and then LIE about an appeal?! WHY? I AM ABSOLUTELY NOT GOING TO LET THIS GO. I have the worst OCD from autism and the theft of my compensation severely damaged my brain. YOU NEED TO FIGURE OUT A WAY TO FIX TGIS DAVID BOIES. It will not be a great look for your "law" firm if you don't provide justice to the person you harmed most. I left this case needing surgery. Everyone else left a millionaire.

As Mr YAGHT sits there with 200mil\$ wardrobe/Sigrid, how do they look at the art they stole? My mom asked me this.

To think they tortured me on purpose instead of simply compensating me is BEYOND BLACK CUBE David. I know what you did with that "soldier" against my entire existence.

You lied bc your bank case was extortion imho. Why lie so I couldn't appeal? Why do that to a dying woman you used to make yourself whole?! WHY LIE?! THIS WAS GATEKEEPING AT ITS FINEST! It was punishment bc I hate ZIONISTS. I love Jews. I love Christians. I hate EVERY living Zionist on this earth. So you punished me. #IsraelFirster

I will not survive without some form of justice.

Justice=being paid compensation instead of watching the culpable coconspirators and liaryers BSF/BEDWARDS steal it all

Justice=Having the world know the truth about all of it!!!

Justice=not being lied about bc of the lawyers I fired. I'm not only not "CIA", I'm effing sick/old/poor!

This joke played on me/Annie by BSF/BEDWARDS was DEVASTATING TO MY MIND/soul/survival.

Justice=Podcast mobsters stop speculating about mine and Virginia's suffering

Justice=MY FOIA REQUESTS ARE MET

Justice=all the art stolen by FBI out of safe is returned to the artist, ME!

Justice=FBI APOLOGIZES AND COMPENSATES ME/Annie since we are the only two they worked with in 2006. They worked with us bc of my reports!

I REQUIRE JUSTICE.

I'm embarrassed for BSF/BEDWARDS that I have to fight to receive compensation. It's really ugly to do to a sick client you used and abused. Really devastating to my health and steals my will to stay alive.

All those adult sex workers who committed crimes 6-23 years received all the compensation. Not one did her civic duty bc CULPABLE (duh!) So if everything was about "sex"/"rape", why am I uncompensated for having my body torn in half?

Can someone kindly explain?

I'm pictured here with the man I loved DEEPLY and whom I had to leave to hide, Avram Ludwig. He died from cancer days after our case broke, so I never got to say goodbye.

BEDWARDS said I wasn't "raped", so I was worthless. Why did he write a chapter about me in his book if I'm so "worthless"? Why was I used to file the affidavit? Why not use one of those rich JANE "Doe" long term ADULT sex workers? Rhetorical.

Everyone can keep pretending I'm dead. I'm not dead. I am very much waiting to receive an ounce of justice. My health is so poor that the Dr took my BP 3x bc she couldn't believe anyone has it that low. I have to get it up before surgery on the 2nd. She's the first Dr to cry to me about my poor health. No one even cried when I had the second cancer diagnosis just after our case broke.

Not one adult long term sex worker had to do a thing to assist this case. Why was I used during cancers for four years if you never intended to compensate me/Annie?! WHY DID YOU USE US DAVID?!

It is insane to me that I am the person not compensated for suffering, considering I fought power solo ages. I falsely assumed goodness is rewarded in this realm. I didn't realize lawyers intended to reward ppl based on their criminal records, meaning the more crimes the more money! ALL OF THIS WAS ILLEGAL UNETHICAL DEVASTATING.

ALL OF IT.

1996-till now!

Annie...it was also illegal for David/Sigrid to lie their asses off to us about my compensation appeal. They cost me everything. They took everything, then only rewarded the most culpable adult criminals. They used a literal terrorist to steal at least a mil. Only ruthless adult sex workers received 3 mil each and Sigrid is fighting like crazy to get them gazillions more from the estate Annie. 🙄

You could easily fix everything you/Stan/Simone/Sigrid/BEDWARDS broke.

😭🙏 Will I survive long enough? Why am I the only one not rewarded for my valor? Why does the FBI still pretend I never reported, even though I have the redacted 2006 report which makes it clear they sought my testimony concerning my 1996 reports. Why won't a soul in the government do the honorable thing and provide my reports?! They caused so much cancer. When do I get an ounce of erased valor?

BEDWARDS stole my mind via his only law partner, then screamed at me when I insisted that man never be near another female. He said I wasn't worthy of a mil bc "not EVEN raped", then claimed the professional adult "sex workers"/pimps are priceless bc "raped". They took a job as professional prostitutes and you are rewarding them per "rape"? When does the person who brought this case forward get one ounce of respect?!

The adult coconspirators were paid according to how long they committed crimes, just as Epstein paid everyone. I wasn't compensated bc I wasn't an adult sex worker?! Please help this stop. KALIN stayed 13 years committing crimes against women. They have paid her tens of millions Jennifer! Cuomo stayed six and copilot the human trafficking plane. The lawyers didn't feel I deserved enough for surgery.

The podcast mafia credits itself with erasing my valor. They claim I'm a "CIA" agent bc Pottinger SODOMIZED me and bc he and BSF/BEDWARDS made me sign an LLC in 2017, claiming it would provide a "few hundred dollars" for medical needs. It never paid \$1, but the crazy WEBBMORE/Kraus crowd fully claims I'm a proven CIA agent bc of that LLC.

David, when do you stop watching the abuse? Do you always just SIT THERE EATING SALT? Or do you pretend to be a human who cares about Maria, Annie, Virginia...the 3 you used most?! YOU MADE A FORTUNE BC YOU USED US. Everyone sees it all, including GOD.

THIS GOVERNMENT AND THE CROOKS WHO MISREPRESENTED WE VICTIMS, both will fail ultimately. GOD IS GOOD. How can evil continue to prevail?

Everyone believes the defamation written about me! FIX IT NOW DAVID BOIES!!!!!!!!!!!!!! YOU CREATED MY NIGHTMARE AND I AM BACK IN HIDING! These criminals claim I wasn't in hiding 23 years! They even stole my suffering FFS. FIX IT BEFORE I DIE.

This man has never met me. He called once from Webb's number and I hung up immediately. These ppl are demons and the government just sits there watching!!! 🤡🤡🤡

SOMEONE PLEASE DO SOMETHING.
