Legal Fees for George Tonks

@TonksLegalFees

This account was setup to raise money for my legal fees. I was framed for a wire fraud crime that I am 100% innocent of.

Richard B. Herman sold me out to the federal government. He was my attorney in a federal case & after paying him hundreds of thousands he stopped all representation when the money ran out. I even gave him a couple of Rolex Watches. He ...

On 26 March 2024, you appeared as a guest on the 'Dan Wootton Outspoken' show where you stated:

"I'm waiting for George Tonks to be able to speak first. He gets off his probation at the end of May and then a lot will be revealed then. He's the other witness who is on a gag order by a judge right now in Chicago who has a lot of incriminating evidence about [REDACTED]"

[...]

"Susannah Reid had a complete meltdown when I said that these girls were con artist liars. The fact is that I have never received one legal letter from anybody because, you know what, they don't want me in court."

[...]

"I have emails where [REDACTED] says in an email David Boies doesn't think that I can stand up in court. These girls are not reliable witnesses."

Our client understandably finds your allegations deeply upsetting. She has already had to endure many years of pain whilst coming to terms with the abuse to which she and her sister were subjected, and your false allegations have only served to exacerbate her trauma and suffering in this regard. Our client finds it extremely hurtful and offensive that you have repeatedly sought to gainsay her own account without any proper evidence. Mr Tonks is unable to provide any first-hand evidence in relation to the abuse our client endured and his previous actions, as described above, make him a highly dubious witness in any event.

Resolution

Our client is entitled to seek substantial damages for the injury to her reputation, in vindication of her good name and to compensate her for the distress and injury to feelings she has suffered in consequence of your unlawful conduct outlined above. She is also entitled to seek injunctive relief and/or a compliance order under section 167 of the DPA requiring your removal of the offending statements and to refrain from making the same, or similar, statements in the future. The injunction would also prevent you from otherwise harassing our client and she would be entitled to an order requiring you to publish any judgment finding that she has been defamed. Finally, our client is also entitled to seek her legal costs from you.

Notwithstanding our client's unquestionable entitlement to the remedies mentioned above, her primary concern is to ensure that any content that you have published about her which remains online is removed immediately, you retract and apologise for what you have done, and your unlawful conduct ceases forthwith.

In the circumstances, our client requires that within 14 days of this letter (i.e. by 4.00pm on 23 April 2024) you:-

- 1) remove all online content in which you refer, directly or indirectly, to our client;
- 2) undertake in writing (to media@brettwilson.co.uk) that you will NOT repeat the allegations complained of, or any similar

oppressive behaviour, resulted in our client severing ties with him.

Since our client distanced herself from Mr Tonks, he has taken it upon himself to traduce her good name through an online smear campaign which has caused her unwarranted damage and distress.

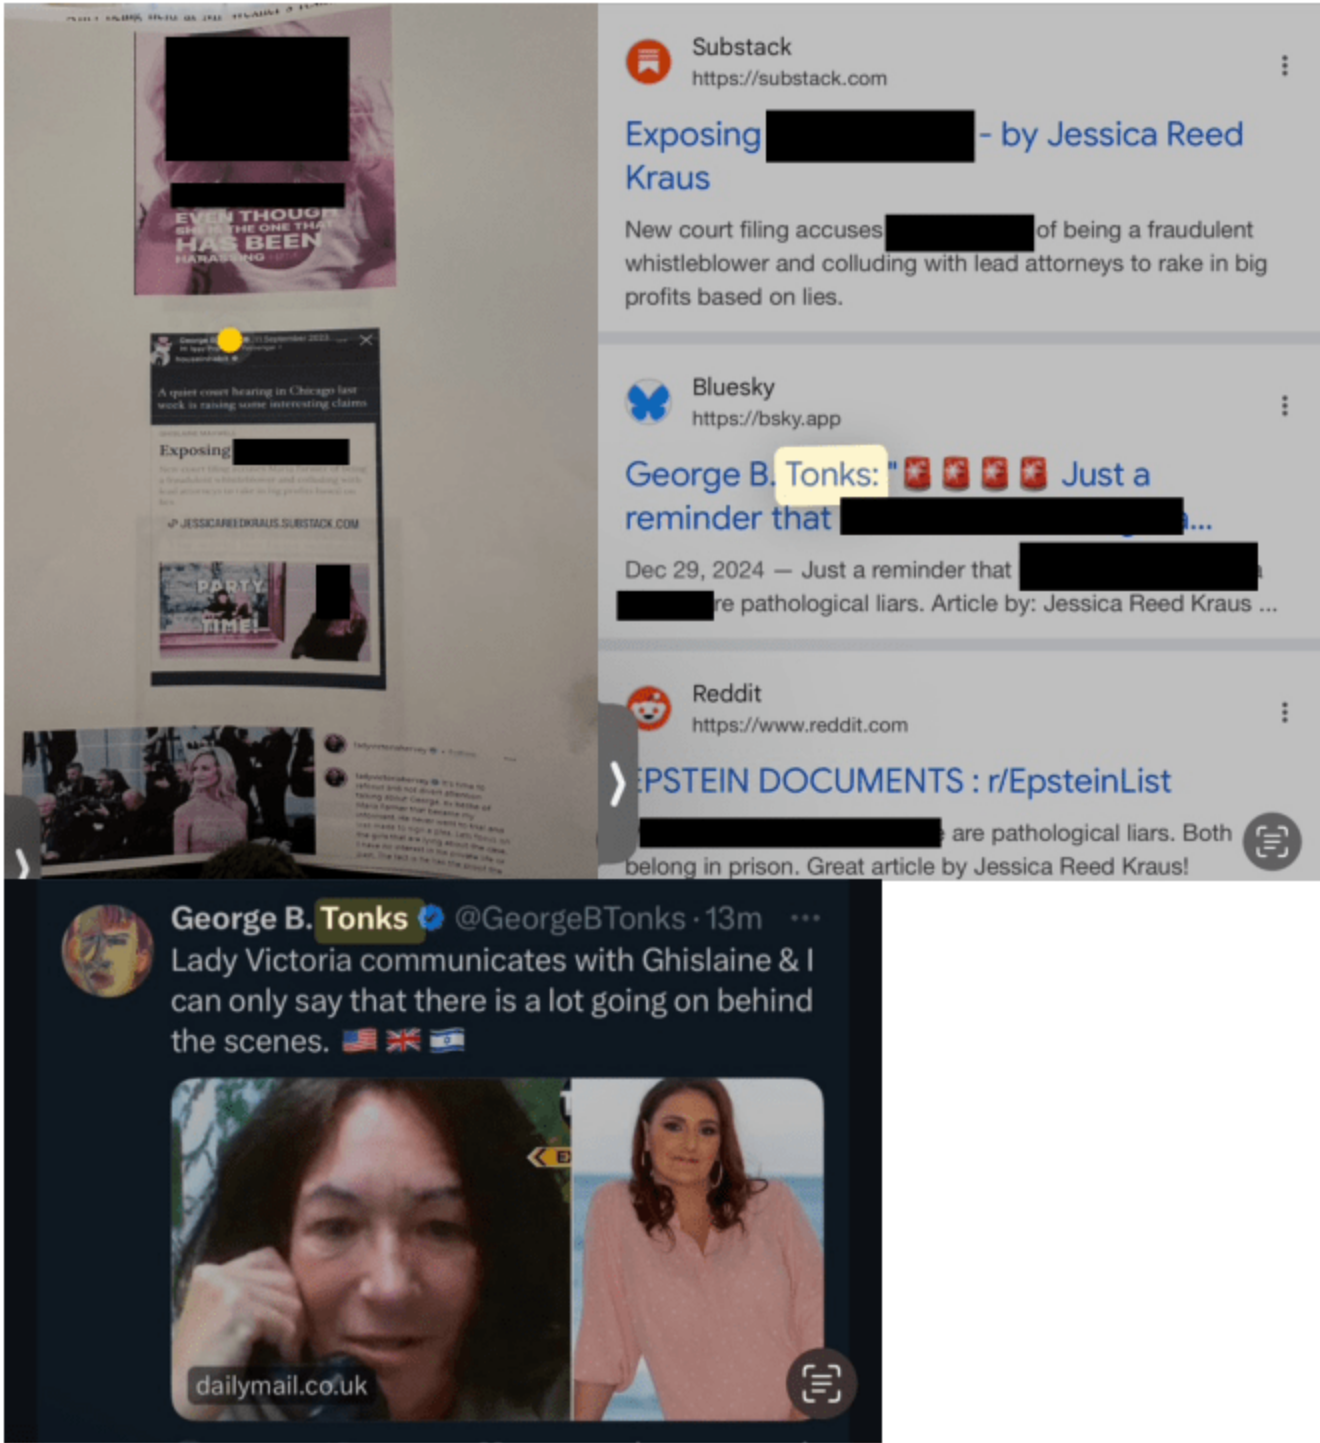

Mr Tonks' main allegations against our client have been summarised in an article headed 'Exposing [REDACTED]' (referred to in your online publications) under the sub-heading 'Tonk's Claims', some of which have been repeated in bold text below for ease of reference. We briefly explain the true position in respect of the statements from the article which relate to our client and concern the imputations complained of and aver that, in light of the facts and matters outlined below, you will not be able to discharge the evidential burden in the present case, notwithstanding your protestations that you have "undeniable proof" of our client's wrongdoing:-

- 1) "[REDACTED] never filed an FBI report in 1996, as she has claimed for years."

Our client did in fact file an FBI report in 1996 and this, as you know, forms the basis for an ongoing legal action that our client has brought against the FBI for its failure to act appropriately upon receiving the report. James Hill, a producer at ABC, submitted a Freedom of Information Act request to the FBI and received a redacted version of our client's interview with the FBI in 2006 concerning what had happened to our client in 1996. The transcript of this interview refers to our client's previous report in 1996.

- 2) "The only police report on file is [REDACTED] reporting Epstein for burning her art"

As indicated above, when our client made her report to the NYPD in 1996, they said the only offences for which they had jurisdiction were those committed within New York and recommended that our client reported what happened at Mr

I was supposed to have surgery today to repair damages caused to my body by this "lawyer" at B EDWARDS "law" firm. I'm not strong enough bc of low BP and the loss of Virginia.

My Drs need me to wait. IT ALL ADDS UP TO HADES.

Brad mocking my brain tumor upon diagnosis, saying I was "simply fat" and sending a scale. The awful things Stan said about Virginia to me before I knew her, it was all abuse. It was unethical and illegal in the state of Florida where BEDWARDS has his firm.

I'm sure the stalkers will post this email next. I'm fully hacked! No one assists. I have not had five minutes safety in thirty years and BEDWARDS said I was "worthless" to this case, after dedicating a chapter of his book to me. I smell a lot of rats.

That elderly man is the one who harmed us. This legal team knew years and did/said nothing to protect me/other victims. In light of what has happened to [REDACTED] I'm getting everything out bc not one bad thing was mine to hold inside. 1996-now! These ppl in power and authority abused me to no end. I have two federal witnesses as my witnesses, my mother and sister. Three, if you count me since I am the OG witness for this case. I have been undermined, shamed, SAd, and heartbroken by BEDWARDS/BSF.

I think the world needs to know how gatekeepers like this abuse clients, even ones they love like [REDACTED] Not one bit of this can remain.

Victims used as props deserve FULL FEDERAL PROTECTIONS! We have been provided NONE. I deserved compensation, so BEDWARDS slighted me entirely to spite me for revealing what his law partner did to me!

Annie send this to Maureen Comey. I cannot live like this so everyone needs to do their part. I scream into empty forests of sheep. I'm exhausted. I feel I need to stay alive to honor V through art. Help me stay alive via revealing every ounce of truth [REDACTED] From the Bedwards to the PODmafia/royals/Trump administration being after us...I will not survive without assistance.

Why are two felons stalking/harassing as multiple other ppl hired by Royals/Maxwell to harass me are not ordered to stop?! Why is this so out of control? Why did I ever testify against Maxwell to the Feds?! What kind of nation is this?

Something must change for me to survive the corruption any longer,
