Subject: [EXTERNAL EMAIL] - Why does FBI permit 2 felons who never met anyone involved to DESTROY 2 most public victims?!

Ariel and Dani beware of these felons who abuse public victims: [REDACTED] and George B Tonks never met a soul involved in the Epstein case!!! Both are chummy with LVHERVEY. Vanity Fair told me Tonks was a victim of WEXNER and gave him my number. He never MET WEXNER. [REDACTED] never met anyone involved in our case either, yet has never stopped feigning relevance while harassing us. She never stopped abusing [REDACTED]. This "article" by 🗿 JONICA cements the fate of the fake victim of Maxwell, [REDACTED]. [REDACTED] Tonks faked lymphoma to get close to me. These are PREDATORS, as their criminal records illustrate. Why have they been permitted to defame/abuse/threaten/harass me [REDACTED] for YEARS while everyone just watches. THESE ARE CRIMINALS ABUSING WITNESSES! Government witnesses. Why is it ok for them to do the bidding of royals/Maxwell, or perps?! Why do all of my reports fall of deaf ears? What on earth is wrong with this picture?! SIX FULL YEARS OF HARASSMENT BY FELONS AND NOT ONE PERSON of authority WILL ASSIST.

Then she lied abt the year the peloton was invented, claiming Maxwell tried to recruit her on one years prior to the invention. You are never forgiven at your shitty "publication"! [REDACTED] was the light of my days you horrid witch.

Posting this so can go ahead and sue you for defamation. I'm not and I'm not any of the other people you've accused me of being. Don't you have a defamation case against you coming up for doing stuff like this? Sad.

[REDACTED] article "sources" continue to get SHRED by sex abuse victims who allege victimization by Epstein and associates. Call out to HouseInHabit for ever airing this nonsense.

Jeffery Epstein

[REDACTED] claims she was part of the same trafficking ring and has met Ghislaine. Although she is not an official victim of the Epstein crimes she has been very vocal for years about high profile sex trafficking within Hollywood and elite. Lady Victoria Hervey used her because of a common dislike of [REDACTED] and [REDACTED]. But now that relationship is fading due to the backlash of Jessica Reed Kraus substack and further nonsensical bashing of all victims Lady V engages on her own Instagram page.

I am someone that you have taken my name and feigned victim with lies and slander. I've stayed silent for years and let you run your mouth. You won't contact any media because they already know you're a liar. They want nothing to do with you.

[REDACTED] [REDACTED] · 4h ...

And also, your many victims have receipts and you know that and don't want to have to defend the trauma you cause others. You and your manipulated "friends" will no doubt come here for the drama. So know this, you

Lemme guess. It's Angela Gayle who trafficked me to her home and exploited me for unpaid work that was not what we agreed too. You used me and also tried to use your camera person/editor but he sued your ass.

Shall I tag him and embarrass you further?
Also you stole my artwork.

[REDACTED] was fully supportive of the Epstein survivors until the lawyers decided she wasn't credible. Jo Brittan deeply resented the amount of attention [REDACTED] and the others received compared to the lack of press interest in her story.

Sam did nail it when addressing the fake felonious "victims":

@GeorgeBTonks &

@SurvivorSing !

@SoniaPoulton envies me & works beside the ex of @_whitneywebb to defame & dirty my name. Losers seek one another! @davidicke didn't she also come after you? 🙄

And don't get me started on how Sarah Ferguson fits into all of this. I mean I know she wants Prince Andrew to be released of his embarrassments & of course Daphne Barak wants to clear her cousins Ehud Barak's name. Just saying.

I mean Sarah Ferguson didn't previously use her Personal Assistant Antonia Marshall to go after Epstein victims online BEFORE Prince Andrew's lawsuit with [REDACTED] did she?

Ohhhh she did!!! [https://www.tatler.com/article/prince-andrew-advisers-contacted-online-troll-\[REDACTED\]](https://www.tatler.com/article/prince-andrew-advisers-contacted-online-troll-[REDACTED]) discredit [REDACTED]
