Virginia Giuffre's claims of being a "lifelong victim of sexual abuse and sex trafficking" are thoroughly exhausting. She was a cunning con artist who deceived the public with the help of her corrupt attorneys. The media is using Prince Andrew as a scapegoat and deliberately avoids discussing any of her other fabricated accusations against innocent men and women. The FBI has pending cases against them, and they are not done with the fake Prince Andrew photo. Pam Bondi and Kash Patel are working with hundreds of others at the DOJ and other agencies to ensure that the truth is made public. US federal prosecutors have already branded Virginia Giuffre as a "money-hungry...opportunist."

I don't think I'm the only one who is so sick of these pretenders . They are mostly paid escorts and rent boys extorting money. It's just about money.

If you have not yet seen it.

This is REAL trafficking and shows what a joke these con artists really are. Also the media is responsible for using the word 'trafficking' so loosely in order to dramatize the story of the Epstein fake survivors.

When I began exposing the lies of Virginia and Maria, they were so terrified that a federal prosecutor threatened me, and a judge temporarily silenced me.

be a liar. Ms. Farmer and Mr. Kirkpatrick have reported they are fearful of Mr. Tonks share private emails, recorded phone calls, and other personal information about her and other alleged victims related to the Jeffrey Epstein case. Ms. Farmer has been advised on multiple occasions to contact police with any threats, potential law violations, or to file any orders of protection. Ms. Farmer has also been advised to hire a personal attorney and is attempting to file charges in the State of Illinois for Mr. Tonks' conduct.

Hi Maria.....

#MARIAFARMER

What case were you a witness on and what governmental agency granted you whistleblower status. No one can find it.

If George B. Tonks lied about anything the attorneys would have sued him and the federal judge would have held him if he felt George submitted a fraudulent document to the court.

None of that happened...

As you obviously know (yet it quite obviously never mattered to you anyway), I fired you. Yet I'm accused by the royals and Maxwell lackeys of doing your bidding. I only "raked in" stalkers, a serious SA by BEDWARDS law partner (your best friend), recent debilitating grief over losing Virginia and serious danger from the Royal family! The adult employees who stayed 6-13 years "raked in" all the compensation as coconspirators. Annie and I were ESSENTIALLY overlooked, as you well know. Annie would never complain so I will always complain for both of us. The dangers you have placed me in by forcing me to use my real name without any support/compensation nor protections has been harrowing Mr BOIES. I get accused of all the crimes committed by the extremely well-compensated multimillionaire 6-13 year employees. I am accused of receiving real compensation instead of the fiscal terrorism I was dealt. MAKE IT STOP!!!!

Annie please send a follow up report to FBI cyber crimes bc the felon and HERVEY are OUT OF CONTROL. They have a serious gang of coordinated stalkers as well, so I can't ever use my name again anywhere! They doxxed my home address twice as well as my ss#! I'm in the process of changing my identity to stay alive. These are felons and all are strangers who never met me. This guy only spoke to me bc GABE SHERMAN of Vanity Fair gave him my phone number while Tonks was still in Federal prison via SDNY!!! I WAS TRYING TO HELP HIM GET COUNCIL BC HE LIED AND CLAIMED WEXNER ABUSED HIM. He never met WEXNER! Then he feigned having lymphoma bc I have lymphoma and I was too sick with chemo to fathom someone faking cancer. I AM sick of being ABUSED BY FELONS, one WHO BEGAN STALKING WHILE ON SDNY SUPERVISED RELEASE FROM FEDERAL PRISON for FRAUD. #SickOfIt
