Good morning [REDACTED]

Just a couple of things:

1. EPSTEIN: I can ask the questions / take the lead if you're able to take notes. I printed all the docs we provided EPSTEIN via counsel, however I'm not able to show them on my screen. Hoping you might be able to assist with that as well? If not, I'll just reference the email by email senders, date, and subject line and we can go from there! At the end of our interview, I also want to show EPSTEIN two photo arrays. I'll be able to screen share these - I just can't open the emails on this tablet when they're in that kind of format :(

2. [REDACTED] I'll take notes if you ask the questions / take the lead.

Talk to you in a bit. Thanks for teaming up with me today!
