It is 6pm, a night before the trip you arranged, suddenly cancelled and offered to rearrange again. Sending that email, letting me block my schedule, and never answering me at all (on my birthday) is so unbelievable, I am starting to think you must have your hands tied and a gag stuck in your mouth... what is going on? is something wrong?

Just landed.
I'm not sure what that means. Can you please let me know soon what you decide.

Thanks

ok.

I cancelled all my plans to do this trip so as far as last minute birthday surprises go, this is not a pleasant one
