Subject: usb condoms?

Dear Lord, will my phone get pregnant?!

<http://int3.cc/products/usbcondoms>

Oh, and this is the guy I met at range... Paul McCullouch @ JP Morgan... =Chances are he's already hacked my phone (? I'm likely just flattering =y self here...) - I should take a mark from [REDACTED] and store only "nice" =hotos in my phone, conveniently without clothing, instead of the =raditional "Mom, what rash is this? Bacitracin or cipro?" Wait, I =sually send those to you too! :)

One steak, maybe? And any ice creams?

G nighty!
