I am willing to discuss all your concerns, IF you re-read your email you will see that you play no role in this mess. I have been TRYING TO HAVE DISCUSSIONS for the past week in pb. I have asked that you ask your questions and then stop nagging,s. Not that I asked for you to leave AFTER asking over and over that you stop spending your full time with me questioning me, ONLY QUESTIONING ,only questions re girls. who is on the phone, who is on skype, who gave you that, what is on the blackboard, I have asked to discuss the future, money, expectations. and plans. only to receive today from you a -what do you expect?. I am aware of your fears re ghislane , russians,, nasty looks. other peoples views. that is your focus, what other people think of you. though you choose to ignore what they see with their own eyes , and once again blame me for their opinions. I tell you everything. with the hope that you will modify your actions. yesterday with [REDACTED], a perfect example. who is at the house. what is she doing , , what is she really doing, i want to come in and see d , , ok, I want you to kiss me in front of her. ok, I want you . and then when i concede to such pettiness , you walk out , you don't speak to her. I didn't have to say anything to lesley rich [REDACTED], llynn,[REDACTED], they see. igor and story,making fun of you d talking about how you don't want to drive a car driven by [REDACTED]. I tell you in order that you have information to modify your behavior. You merely attempt to justify it, by saying it is a shitty car. .. They see . When you and I were beginning , yes I was in love with you when ghislane was around. You now , suggest i am behaving the same way. WITH WHO ?

Dear Jeffrey,
I don't know what you expect is going to happen to us. I do not want to come back in July and get nasty looks from the girls who think you would rather choose to spend time with them over me because you have been having 'affairs' with them while I am gone.
You have been dishonest about other women and as a result I can't trust you. You refused to help rebuild the trust by full disclosure and have no other suggestions.
If we can agree the girls you spend time with over next 2 months, while I am gone, permanently disappear from our lives after July, I don't need to ask any more questions. But otherwise, let's not drag this on. I do not want to be treated like Ghislane - yes, she had a great life except you were cheating on her with me, everyone saw it, felt sorry for her, acted differently when she showed up, made fun of her and treated her like a retard for not seeing it.
I feel resentful about you forcing me to leave and I can't deal with the russian baggage that comes with it.
I love you, I appreciate being able to play with the plane today and I hope you win every battle you are fighting.

Good night
