Please no more silly questions that you already know the answer. it is a waste of both our time. I love you and you love me what would you like to do?

[REDACTED]: Why is it silly to understand the past?

[REDACTED] you asked me to share your life with you. I excitedly accepted. I shared my highs, my lows, my dreams my body. every single part of my body. you came home from work, telling me you earned millions of dollars. then fought, screamed with me over 5 thousand. you wanted peace and quiet. You demanded I share the peace but withheld the prosperity. you told me often how much i cost you, how expensive i was IT showed little respect to the both of us. but I love you and overlooked it. you asked me to violate a basic conviction of mine and have an abortion. your mother said it would be in your best interest if i did. you now ask why you should be ashamed?. now that it is the high holy days .. its simple you behaved just like the GOYIM you do not respect. - after the holiday, I will be willing to share a meal. no sex. none. I love you, my jewish studies said that at 13 you should become a man. its not too late.
:)

[REDACTED]: You seem very very angry at me. Almost bitter. And you are altering facts and circumstances in a large way

[REDACTED] I don't understand what my mother has to do with it either....

[REDACTED] We are not having a rational discussion now.

[REDACTED] and I never made any cash when we were together. Got involved in a bunch of assets. But no cash....

[REDACTED] So not sure where your stingy issues come from

[REDACTED] And why you keep brining up jewish things, I don't get either

[REDACTED] You just seem very very bitter towards me. I did not realize the extent of it. Perhaps you need more time to cool off.
