I like the 500k, I just find it too good to be true for my first job. I am suspicious it is just bait and it would never happen. Do you think it can be real?

Can't tell much, do not offer to introduce girls or girl. Did not like 500k comment ?, though you can mention that as it is a nationwide org, having women on the masthead is a big plus, masthead being a better place than master bedroom
