Hi [redacted]...ok, heard from [redacted] that [redacted]
seems fine today...so they will hang
together...however, she had also hoped to
take them at 3 herself to some putt putt
place...I know [redacted] wants to play with [redacted]
but can we go back to the play date on Thurs
Sept 12? (so sorry to [redacted] cause I'm sure
he was looking forward...fyi-his message was
adorable yesterday!)

Morning [REDACTED]! This is the
scoop.... Our nanny was helping
out [REDACTED] and taking
[REDACTED] for the day from 10:30
on...we called it a play date cause
it is, but really [REDACTED] needed
coverage also. If [REDACTED] wakes up
with A fever [REDACTED] will drop her
plans and stay with [REDACTED]. If
[REDACTED] is ok then he will come
hang with [REDACTED] and Gloryana. If
[REDACTED] does go out she says she
should be back by 3pm (ish). So
bottom line: it's possible for a
play date during the day if [REDACTED]
is not well or even we could do
after 3pm today. I know [REDACTED] was
excited and wants to go see
[REDACTED] It's all up in the air
now. [REDACTED] will text me once
things are figured out. Then I'll
follow up with you! Sorry it's so
complicated! [REDACTED]
