there is no 'online' at camp (yay!!!) I have learned about Cassidy's thoughts via good old fashioned hand written notes. I received two from Braden yesterday . . . because he wants me to send him something. ha! that's ok. it was nice to receive anyway.

yay!!
they really do appreciate the mail.

I'm going to go see the kids on Saturday now (and most likely Pete too -- I hope... it will be more fun) Cassidy has now updated her status to having fun again and wanting to stay for the next session. . . so we feel like it will be okay to visit for lunch. We didn't want to go if she was still in a state of wanting to come home.

Les - the email system looks different this year. But it's still Bunk1
go to

I'll keep sending pics so you guys don't have to go through them all. They are using a
different vendor all together for the photos.

If the link above doesn't work go to

bunk1.com

and go from there.

Let me know if it works!
