Hi [REDACTED],

Unfortunately the only other time I have is 7:30. Is that too early? If so, I'd be happy to speak with you at 9:30. If [REDACTED] has any further questions I can touch base with him next week.

Thanks,
Shannon

That is right when the market is about to open unfortunately ...might you have another time in the day? If not, I can speak with you alone, i just know [REDACTED] would like to be involved.

No need to worry, I just want to keep you in the loop! Does a little before 9:30 work?
Thanks

Hi Shannon. Oh my. I don't like the sound of this at all! I think I need to have a call with you ASAP. I am available to speak with on the phone tomorrow. I'm sure my husband, [REDACTED] would like to be on the phone as well. We will both be at work but if you could give me a time frame for the call we can make ourselves available. My cell number is [REDACTED] I can connect us to Ike. Thank you so much for reaching out. Lesley

Hi [REDACTED]

I hope you are doing well and had a nice break. I was hoping to touch base with you briefly about [REDACTED] and his progress in math. Nothing major but I wanted to discuss a recent assessment with you before it comes home. I am happy to give you a call tomorrow or

sometime next week. If you'd prefer to meet that works too. Next week is absolutely hectic so the only time I have open is Wednesday from 9:30-9:45 or Friday 7:30-7:50 A.M.. Please let me know you prefer!

Best,
Shannon
