Subject: Gloryana my nanny!

Hi Suzanne! [REDACTED], my nanny, said she would definitely be interested in overnights with your kids during the April break!! She is fabulous and has been with us since [REDACTED] was 3.5. She does overnights for us all the time. If it is over a weekend she would have her 3 year old who is a cutie pie. Even if it is during the week she might (just want to make sure you know). She drives and uses our old jaguar. Paula uses her some as well. She is super reliable. Let me know if you would like to meet her. See you tomorrow night!! :) [REDACTED]
