Subject: New Test Kits Are Coming

New Test Kits from Dr. Rofrano will be coming to the house! Please be on the lookout for them for JEffrey! He wants them ...they will be coming from a lab!!! see below

Hi Lesley,

I just received an email that the lab recently updated their test profile and they now require new kits.

They said they can drop ship you a new one to use instead.

Do you want us to give them the same NY address?
