Below from Helen in Branson's office. :

Food – anything, but healthy if possible.

Beer – He doesn't really drink beer but isn't particularly fussy if he does have one. Corona, Heineken that sort of thing is fine.

Wine – he likes Sauvignon Blanc, Pinot Grigio and Rose. No Chardonnay please!

Desserts – not fussy, like desserts in general. As sugar free as possible though is always appreciated.

Other- Richard is generally a very easy person to feed and water! He likes cranberry/soda and sugar free ginger ale for soft drinks.

Hope this helps.

Many thanks,
Helen
