Hi!! A 6" diameter cake would be perfect! Can you have it arrive in NY
anytime from now until the 25th? The person I want to
send it to leaves NY on the 26th. The address would be:

J. Epstein
9 E 71st Street
New York, NY 10021

Thanks so much

██████, Hi!! SOOO happy to hear you enjoyed the cakes! I'm sorry I didn't get to see you in person during the time you were here but I had a great time baking for you and your guests!!!

...and I would love to bake a little lemon/blackberry cake for your friend! We do ship cakes often and we've had good luck. They seem to ship fine overnight. Maybe a 6" diameter cake?...to serve 8?

I was sad the weather didn't cooperate for you but I can only imagine how spectacular the photos will be...the storm clouds were incredibly dramatic...

Please let me know when and where you would like a cake sent and Ill fire up the oven :)

Aren't you on your honeymoon?! Congratulations! Enjoy wherever you may be together....

Hi Monica! Just wanted to let you know how amazing your cakes were! The car cakes were a huge hit!
There was a friend who wasn't able to make it to the wedding and was wondering if it might be possible to send a small cake to them of the lemon with blackberry mouse and cream cheese filling? Would it work to ship a cake overnight, or would it not hold?
Thanks again for everything!=
