Hi [REDACTED]

I wanted to check in with you as I know everyone is busy. We had yet another [REDACTED] call to come in for care.

I know Jeffery is so giving. I hope he knows my asking, on behalf of [REDACTED] only comes from that generous place that enhanced education gives to many organizations. If you can convey that to him as I know he has had to deal with so much crap over the years.

Thank you so much, [REDACTED]
