ok, Brian Feeney is the guy I told you about a bit ago...he was married to the woman who was convicted for the insider trading thing...Brian is a really great guy....I put him in his lower 50's...has only been married the one time and has no children (which is ok with him) He LOVES kids however and is sooo kind to [REDACTED] (Example: We brought [REDACTED] out to dinner with us and Brian met up...he is having the cinco de mayo party this sat and invited us ...we said great, what can we bring...he pointed to [REDACTED] and said "him"...last time we went to a party at Brian's house, [REDACTED] helped Brian make pizza in his outdoor kitchen pizza oven...Brian totally paid attention to [REDACTED] and was just really sweet and nice...but Brian always is) He is well spoken, smart, funny, worked in finance his whole career and done very well...so well, he only trades his own money now from his home. He golfs, likes to keep in shape, dresses well, always smells good (ha, had to throw that in) and is just an all around good guy. I am friends with Brian just like Ike is, but Brian will always hit up Ike via text or cell because it's just the right way...I step in sometimes and take over the texting or whatever but he always begins with Ike. He is respectful of our relationship. ...and Brian would LOVE to meet Jena! I shared more pictures of you with him (hope you don't mind) :)

How is the intense yoga going?? Are you losing weight and gaining muscle? I'm working out my arms a lot by lifting full wine glasses to my mouth every night and eating cheese quesadillas and pizza at least once or twice a week. I think I need to start intense yoga training.

House is being sheathed now! I'll send you a pic that Ike took last night.

How is YOUR house?! I need to see more pics of your house with furniture and stuff...the outside patio and grill..the finished kitchen...the kids doing well? :)

Miss you! Let me know when Brian should make his business trip down to Dallas... :)
