Want to honor my word.
I emailed Brolls.
Let me just make sure they are good which I'm sure they will be.

It is my situation to make right :-)

The Broll's have 3 kids and some are younger than [REDACTED]? I don't want to make things hard. I'm sure all will be fine. Tell me what works!
Sounds like there will be Bucci's everywhere. I don't even know how late we will stay because we are going to a party during the day as well.

Shannon is very responsible but I will try and work it out so you have Erin.
Erin was asked to babysit the Broll (down the street from you) too.

I'll get it worked out. They know Shannon and will probably be fine with her as she has sat many times for them.

Ok thanks on kitchen.. I kinda remember you telling me that now

Oh boy! We always have adults stay with [REDACTED] so I feel a little funny saying ok to an 8th grader (even though I am positive she is responsible!). Would Erin still be at your house or is she being asked to go somewhere else early? I want to say yes, but don't feel like I'd be able to relax!

Anyway, I wanted to ask you if you would be comfortable with Shannon, my 8th grader/14 year old. She is equally as responsible as Erin and babysits for lots of families in neighborhood.
