Sorry for the delay! Attached are two elevations of the kitchen, based on our conversation.

All plywood construction
Inset

All cabinets except peninsula to family room:
Maple
Designer white

Peninsula cabinets:
Cherry
Raisin

\$47,500 plus tax

There is a promotion going thru May 1 which would reduce that by \$2850. Additionally, we have a promotion going thru April 13 which would take an additional \$500 off, bringing the price to \$44,150 plus tax.

Please call me if you have questions.
