Hey [REDACTED]

I have a school function on the 6th but after that, spring soccer starts - so practice days change. Let me figure out the schedule and ill let you know if Wednesdays still work. My car pool disbanded b/c practice time are changing so I just lost a ton of freedom :(Very upsetting.

Sorry, missed this email.

Hey [REDACTED] would you be terribly upset if we postponed our dinner? [REDACTED] has a project due on Thursday that we weren't able to get done tonight and I feel terrible not being able to help her tomorrow night. She was up all night last night with a terrible sore throat and I thought she was better today but it started hurting her again. We just got back from the med-merge to get her a strep test. I'm not even sure she'll get to school tomorrow. Quick-strep was negative but they are sending it out. I hate to be a party pooper. I'm sure you pulled some strings to make our dinner happen :(

xoxo,

We can go to any place we want tomorrow cause we can meet early...lots of steakhouses around (Del Frisco, Strip House, STK, Prime Grill-all located mid town area and will get busier as time goes on) and I am VERY happy to do any of those! I can't remember if we ever met at The Smith before? It is a place that has one of everything (<http://www.thesmithnyc.com>) It is at 51st and 2nd...

I should be able to meet any of those places by 5:00 I'd think! I need to be on the 9:07 home...let me know your thoughts!
