Ok I'll see if my library has that. I never ever look in the adult section!

awesome! Ok, I have them in a bag and will bring home for her. There are 2 more of the big ones, but they are cumbersome to bring home...maybe I can bring them home one day at a time next week so we can give to you on Sat. night.
Also, we have loads of newspapers that you should take back with you on Sunday...and I have a few workout clothes for you...

WOW! Absolutely!!! That would be great. . . . she was all up in arms on Tuesday because Braden was paid \$65.00 AND received a free movie ticket to be involved in a focus group for a teen targeted moviei --- he loved it AND was paid a lot of \$\$ if you ask me! It was a group of 10 teenagers, they watched a clip of the movie and selected their favorite / most appealing ad campaign --- cool!

Ash, we have toner here at my office that we no longer have the printer for...do you think Cassidy would like to sell them on ebay? i think one toner lists for like \$90 (or more) the others could be like \$18 each...shall i bring home? I also have a dress I think I will never wear with the tags on it (Nicole Miller \$250)
