Yes Uncle needs to be capitalized with a name like Pete after, but the word uncle does not.

I am proud of him also. Personal responsibility is the key to life. So many do not have it and it is always someone else's fault.

Home work will pick up for sure next year.

[REDACTED] is very excited about valentines day I think. He was very happy to turn off wii lat night and help me. And he was excited to tell me bout all the vday stuff they will do today. He also said a boy on the bus told him he was giving him a card so he made sure to get out his extra sponge bob cards and make this boy one too. (Even though he is not in his class). We had a great evening and a good morning. I'm proud of him for wanting to show me his homework. Just wish he had said it last night. Do you capitalize "uncle" if you use a name after!? Example: Uncle Pete. I made him capitalize it and hope I'm right. He referenced Uncle Duncan on his paper. Joey Bucci had 3 hours of homework last night.
