totally fine to start at 5pm on sat. sounds good.
I am positive I will have wine tonight regardless!! I can't find a menu for the new tapas place, Picador...I think we go to south end so you can see that. they always have fish

Glad y'all had a great weekend. We did too!

Hi there! [REDACTED] party was adorable and she loved it --- the girls were very well behaved -- and NO drama! (yae!!!) The visit to Al and Eileen's house was nice also.

I'm up for dinner, but would like to not drink. . . I feel like I've been drinking so much and I always overeat when I do. . . I'd rather save that for Saturday night. And, if you aren't feeling that great, perhaps it would be better for you not to drink (and it save \$\$). What do you think?. . .

AND, I'm thinking on Sat. we should start at 5 pm (if that is okay w you guys) because Braden and Pete have ski club the next morning (report time is 6:15 am!) -- is that okay?

Hi Smash...are we on for dinner? I am definitely coming down with a cold, but at the moment, feel fine about meeting up with you! I brought some Dayquil with me so I can take that. The trains and subways are FULL of sick people...including me! scares me!

Hope y'all had a good weekend...I do want to catch up. There is a new tapas place we could try in NC (although, I'm not positive we will like the food...i need to find the menu...or we could go to South End , the place by Walgreens if you wanted)

Let me know!
