Yes I will find out. The Surface Event is at 1:30 today (part of window 8 launch that JE is going to...so it depends if he wants to stick around for it. I will let you and Jeff know if this time will work as soon as I hear back)

Richard,
I will be able to make it to meet with Jeff tomorrow. I'll be there about 1:30, let me know if that time still works.
Best
Jeff
