I don't know what used to be at SLS before. Lolita's looks to be Mexican but reviews for it are good.

of course! I may be able to call you even before...not so busy today
I booked Prime 112 for Thurs Nov 1, Katsuya for Fri Nov 2 and I'm thinking Lolita's for Sat.
Nov. 3...it's also around the corner from Prime so I like that we can go there too if we
want...Katuya is in SLS Hotel...what did that used to be? Do you know?

No! But it is worth checking out. Let me know if you book.

Call me later when you leave the office & heading to the train...do you have 5
minutes then? Just want to ask your advice about a 'dilemma' I have
for this weekend. I've pretty much made up my mind but wanted to get
your opinion.
