! You kidding? A-Team rocks! Have watched it twice, (... so far) "They're flying the tank..."

...and I always love it when a plan comes together!

> some country singer star

Right ...and that star did one of my favorite music videos:

...but it can be a bit of a downer, so pick yourself back up with...

Well. . . you won't appreciate the movie we watched. . . but it was good b/c it (sort of) appealed to the whole family. . . "The A Team" (whatever.. it's not up for an award). But I was able to stay away (prob b/c we started watching at 7 pm -- that helped!).

I thought Joaquin was really amazing in that country movie where he was supposed to be some country singer star. . . clearly . . that good. . . cant even remember who he was supposed to be. . . oh well.

C'mon... what movie?

We went to see the opening night for "Master". Changed my opinion of Joaquin Phoenix. He's a shoo-in for Best Actor. The movie overall get's more of a "Whaaat?"

I missed out on all of the exchanges last night~

Happy birthday, Bill!!!

I was enjoying a rare moment of watching a movie on the tv. . . that hardly ever happens for me. I'm either usually too busy OR I fall asleep after the first half hour. . . last night I watched the whole thing! :)

Sounds like you all had a great time!!

Enjoy!! Ashley

My 'little brother' just turned 60 !!! So we invited him out for supper on his birthday. I'd found the perfect gift for him – a MR BILL doll that says, "ooooh Nooooooooo" when you squeeze its tummy! (it is actually a DOG toy!) We had much fun (4 bottles of wine's worth for 5 people!) The poor restaurant staff people were all sitting there staring at us wishing they could close up and leave! We enjoyed the chance to catch up and the meal very much.

I thought you were going to start blowing wine out-your-nose when we revisited the comb-in-the-hair story.

Thanks for the kind thoughts, and keep up whatever it is you are doing to stay in such stupendous shape...
