One last thing I will need brought from NYC.
In the white freezer in downstairs kitchen of 71st street there are packages of
frozen hot dogs. JE would like to have hot dogs for lunch tmrw and these are the
new dogs he likes. I'll take all the packages we have there should be 2-3 . They are
called "Zweigle's Pop Open premium hot dogs"
They are frozen so shouldn't be to hard to transport.

Please let me know that someone has found them, if not I'll have to make other plans...

Thank you
Francis
