This email made [REDACTED] night! Quite frankly [REDACTED] do I think! Sweet of [REDACTED] to say that.

And maybe we should just come live with y'all instead of build this house! Ha! Injust learned we have to have asbestos and lead inspection on house Which we can't do till renters move put for several reasons. It could possibly push back the demo 4-6 weeks if we have to have asbestos removed and dumped to code and all the paperwork! Oh well, we have a house and I suppose not in a rush. ...or we move in with you :)

So I told [REDACTED] you will pick the boys up from camp and they play at your house. Either [REDACTED] will pick [REDACTED] I am meeting sister for dinner :)
