Tim's original suggestions were Gary Danko or La Folie. Did Jeffrey not like either? Or was it Woody that wasn't interested in either?

Hi [REDACTED]

So after talking to Thomas and trying to figure out some way to make this dinner happen, I regrettably write that we are not going to be able to host Jeffrey and his guests on Sunday, August 5. Due to the large amount of dinners and off-site events we are already committed to, we simply do not have the manpower to staff one more dinner.

If Jeffrey would like some recommendations of other restaurants, please let me know and I am sure Thomas would be able to help coordinate something for him.

Again, my apologies that we are not able to have Jeffrey with us, but I do hope that he reaches out in the future.

Thank you [REDACTED]

Emily

Hi [REDACTED]

Thank you for sending this out.

Thomas says HI to Francis! Right now, we are trying to find a way to make this work. This week is extremely busy for our properties with multiple private dinners and off-site events, so we are a bit short handed. Thomas said he will give me a definitive answer to what he can offer Jeffrey and his guests by 5pm the latest. I will shoot you an email with his thoughts. We would love to host them, but want to make sure it'll be something worthwhile.

Thank you!

Emily
