Good Afternoon Larry,

The aircraft cannot wait at Southampton, we are only allowed to be on the pad for 5 minutes. We will have to reposition to either East Hampton or West Hampton.

For the wait time we have capped it at \$1,000.00

Hi Misty,.
quick question, if the arrival airport is South Hampton instead of East Hampton, would that be ok?.
Just to clarify, the round trip indicates \$1000 per hour wait time, your quote only shows \$1000 total, is that correct for wait time, if the heli waits for pax in south hampton?
thx
larry

We quoted the trip that you requested as two separate one way flights, as well

as a roundtrip. It will be base on our aircraft availability. If our schedule

allows, we'd like to be able to offer you the roundtrip cost, as it's

significantly less. However, we may need to launch a second helicopter for the

5pm return, then we would need to charge for it as well.

Thank you,

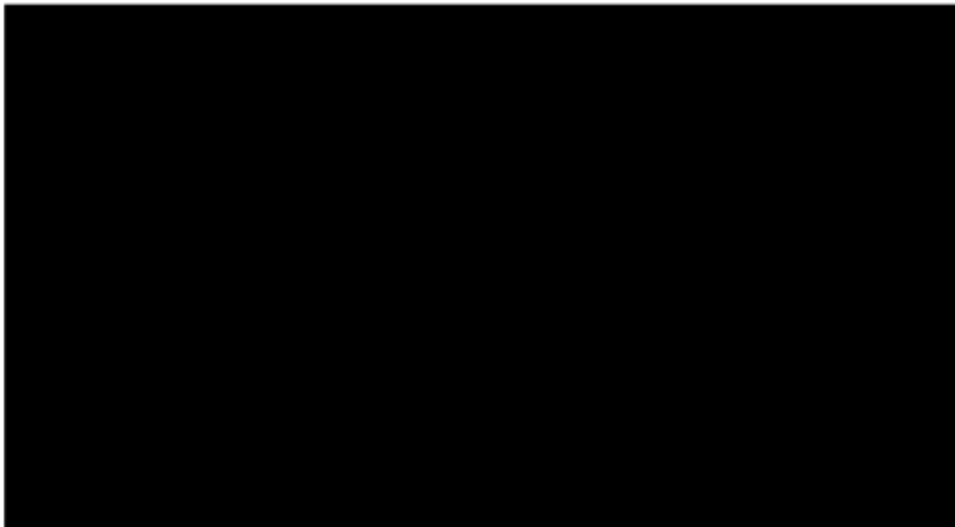

Misty Ferguson

Larry,

I just spoke with my accounting department about the 15% discount and they

are asking for a copy of your contract before we quote this.

I am also cc Stephanie Miller on this email as she is the one requesting

this information.

I can't quote this with the discount until my
accounting department has

given me the approval.

Thank you,

Misty Ferguson
