Subject: Ainsworth again

As we all know, we are soon to lose our very dear friends, Jules and Paul Ainsworth to the [REDACTED]
[REDACTED] In honor of their friendship, we thought it would be nice to throw them a send off party! Jules and Paul requested to have their last shindig at their home (it IS a PERFECT home for a party!) BUT, since this is a party to celebrate them and their friendship, we thought it would be nice to give them a break and have it catered... on behalf of all us friends! Chef Luis Lopez, of Chef Luis Restaurant, has very generously accepted catering this event at a very reasonable price of \$ per a couple...this includes paying for Jules and Paul as well as a tip for the servers.

I hope everyone can come and considers this a nice way to show our gratitude for the many BBQ's, dinner parties and impromptu get-togethers I'm sure we have all been lucky to attend at their home.

Since I'm sure we have all been to their home for an amazing home cooked meal or BBQ, we thought it would be nice to give them a break and have the party catered and generously paid for by their dear friends.

they would like to have a party to whoop it up one last time together. ...but
