August works for me. Will be super hot ...and is that hurricane season? I'd get in the pool for sure ;)

I just looked at my schedule...the soonest I could go is August!?! That is just ridiculous...every weekend b/t now & then is committed to beach, baseball tournaments, anniversary, Jake's bday... Unless we go next weekend, ha! Yeah...

Yes, it is nice. We went down for JazzFest...so much fun but very hot! Definitely going back to New Orleans but during a time when there isn't anything major going on so I can really spend some time enjoying everything else it has to offer!
