[REDACTED] you may go and pick up \$600 from Bella tomorrow. The office will close by 1pm. Can you pick up prior to 1pm? If not Bella can leave the money with the doorman in an envelope for you. Please let us know what works!

So to by medicine I can do only today(I can't because I have a shoot until the late evening) or tomorrow(I can do anytime) and If I'll miss this days then I have to wait 20 days again for to renew my prescription which will be break my treatment. This is how this system work as Angela said to me.
