Her vet was fine with me... only met her once. But if you'd like to switch for a try or forever :) that's fine with me...

Thanks Les, [REDACTED] likes her vet, I am only so so about her. Find she was so rushed with Grushky last time she went in. We will chat and let you know. G met Heidi and loved her and I really trust Heidis opinion, I can tell she is doggy crazy!!

I sent this to Jeffrey as well as you two last night. He did not answer me, but I figure one of you will speak to him about this...? let me know if you want me to tell Heidi anything. Seems like a good idea to me!

Hi - now that Jeffrey has a cute baby dog . I have a special vet set up that he might want . I have had lots of dogs and still have 2 . I gave a little money to the Animal Medical Hospital on 62. That gets you to a private floor, the best internist + all the best specialists . Let me know if you would like me to set it up. Best, Heidi
