Long ago when he was self-employed with his own computer software company, he could give himself any title he wanted, i.e. President, CEO, Chairman, etc. – he jokingly chose "God-Emperor" as his title. Very modest of him, don't you think! We like to still address him that way for fun. Love mom

Your excuse is "lame" It's an afternoon / holiday gathering.

Your 'Big' sister wants you to be here!!!! I REALLY wish you would make the effort to come out and enjoy the festivities with us - YOU are SPECIAL!

I brag to everyone about you ... but then you never show up! Bummer ... PLEASE , show up this time!?!?!

Love, big sis
