Subject: Haute Living Miami Issue Online with Miami Heat LeBron James Cover Story

Title: Haute Living Magazine

He may not have taken home the championship, but **LeBron James** has quickly become an icon – a status that extends far beyond the world of sports. Our [latest Miami issue](#) – now online – takes [an intimate look at King James](#), his past, present, successes, and ultra-stylish palate for fine timepieces.

This issue will also explore some exciting features, including a look at [Miami architecture power player Raul Casares](#) and at [Adam Gordon](#), the 20-year-old owner and CEO of **Fort Lauderdale Collection South**, one of the world's most impressive collections of exotic cars, a landmark here in South Florida, and the ultimate destination for any luxury auto enthusiast.

Experience a day in the life of [Vivre's Eva Jeanbart-Lorenzotti](#) while Miami's maven of real estate [Diane Lieberman](#) gives us a peek at her path to incredible success in our **Women of Substance** section dedicated to influential women in business and philanthropy. Additionally, our Haute Ambassador [Loren Ridinger](#) takes us behind the scenes at Miami's sizzling **Mercedes-Benz Fashion Week**.

As summer approaches, leisure and travel are on our minds. Although we all love that famous Miami heat, we all need to get away from it – and the tourists – for a while. From [the ultimate luxury yacht](#) to the most [stylish summer fashions](#), we celebrate the season with all you need to revel in it with class. We give you the rundown on [the Hamptons' hottest spots to dine, shop, and party](#) this summer or jet over to magnificent Saint-Tropez and check out [our picks for the breathtaking locale's best accommodations](#) for the ultimate summer getaway.

As the temperature rises, so does a new wave of fashions to outfit the season in style. Take an exclusive peek at [Louis Vuitton's highly-anticipated new Miami location](#), the [top ten collector's watches from Baselworld 2011](#), light and undeniably summery [lace and nautical attire](#), [sparkling diamonds](#) to counter the heat with a little ice, and [Cartier's newest lust worthy pieces](#) to add a little sparkle to your summer style.
