Subject: Re: Extra Storage Space NEXT WEEK

I spoke to Andrew who says the storage space he has for us today is small and located in the back and not convenient...it is ours, but we may want it to store more long term items and not extra soaps and linens etc...He says by early next week he will have the better extra storage space for us which is more conveniently located and close to where our storage currently is...

Instead of meeting up today, we decided to have you meet up next Tues or Wed. to get both of the storage spaces...So no need to meet up today...
