Hi Nicole...Steve did respond! Sweet of you to follow up...He basically said he would love to but his coaching could get in the way...I did ask him if Holden will be able to go to the entire party or did he need to play his bb game? but didn't hear back...what was your thinking on this? I know Ryan, Andrew Nolan and Petey have issues with bb games... I just hope we have enough kids to make it fun! :(

Did Steve respond?

He's leaving for ATL early afternoon and will probably have a basketball game that he needs to coach in the AM.

Hi Nicole and Steve! Wanted to throw out a proposition! Might Steve like to join us for [REDACTED]'s birthday party and help us drive up some boys? Mac could even come as well if he wanted to participate in some paint ball. we would be happy to pay for y'all!! We are really in need of an extra car 💎 for carrying kids. But love your company and think it's your kind of Saturday! 💎. We are asking all to meet us at 9am next Sat Dec 3rd. Let me know! Thanks, lesley and Ike
