Hi [REDACTED]

Mrs. Allen received some of the chairs! Unfortunately, it looks like they only shipped 6 chairs total when the count should be 12...I know you definitely ordered the right amount (6 sets of 12) so I think this is a mistake on their part. Can you, or if you'd like to forward me the information for the order again and I can do it, call wayfair and just see why they'd only send 6?

This isn't the first nor last time I've had trouble with wayfair...they always seem to be a little bit unreliable.

Thanks, and I hope you're having a good day!
