Got 50% off. Saved \$364.51. Taxes and duties always billed separate. Please always call fedex for a special 1 time quote BEFORE shipment.

Use the number i provided in our prior conversation. Even when you are at the cashier checking out and see that cost exceeds \$500 DO NOT SHIP, first call fedex and special price will be applied, just provide quote number.

Thank you,
Bella

Hello Merwin and

Merwin, I see the items we were waiting for to complete the gift for [redacted] have arrived!

[redacted] can you please help facilitate sending this gift from Jeffrey to [redacted] via Fed Ex today? [redacted]

would like the below form filled out so she does not need to pay taxes on it ...it is a gift form from Fed Ex (when you go to Fed Ex talk to them and I am sure they can walk you through filling it out!!) The address to send to is below. Please be sure to give me the Fed Ex tracking number once completed. This will probably be expensive to send since the box will be large...please get the rates to determine best method to ship! Bella may have an account # you can use for 'freight'? once the box is organized let Bella know the size...(Bella, for some reason I thought you had a way to send large boxes for less?)

Cheers
