Valdson uses almonds and other nuts that he can find=in the house with no specific preference. Lyn uses almonds, pecans and walnuts. =A0

Valdson puts 1 cup of almond flour, and Lyn d=es not.

Valdson puts 250g raisins, Lyn put= 1 cup (which is about 150g)

[REDACTED] Looks like Valdson does not use flaxs=ed meal, that Lyn uses. Waiting for him to confirm that, as the first time asked him, he did n=t know what it was, so she sent a picture and is waiting for an answer.

Lyn and Ana use the same recipe and Ana claims to use the ingredients from Lyn.
