Ok, so

1. I found out that I have a friend on the committee for la plaza cultural=and we can get it for free (if u want)
2. Th= same friend (I don't think you've met... [REDACTED]?) sent this advice =/div>

<http://nymag.com=listings/restaurant/les-enfants-terribles/>

i=would do les enfants bc they have a backroom and can organize a cheap prix f=xe menu for \$25 pp, no contract...plus tip and tax, that's only like....\$33= it's coffee or tea, 2 cocktails (mimosa or bloody mary) and a choice=of abt....7 entrees. check out the space...it's not fancy or trendy o= modern though but best deal. you can decorate and i think the manage= will be chill enough to let you bring a cake wo charging the \$5 per plate f=e. hope that's helpful....and no minimum to spend.

the manager for=les enfants is gonzalo plaza de ayala at [REDACTED] <mailto:[REDACTED]>

.
