Hey sweets..

I don't think I did a very great job of describing it. I showed him the facebook page with the brochure, etc.. and told him about the website coming up..He didn't say much.. he kind of smiled and said "good".

I will tell story to let you know what he's thinking..

I would totally come to the launch party! If I'm in town of course. I envy you in being able to be in control of your schedule. One day..

How did it go?

I found a model/spokesperson girl I'm hiring to help with sales/marketing so I just have one more spot open. I haven't heard from Story..

It's ok if he is not into it anymore but I need to know soon, so I can take one of the other guys.

I found some Harvard grads that were interested. I'm thinking about doing a launch party at the Harvard club on 44th & 6th in 2 weeks...would you come?

He told me you told him you offered story a job. He's asking me doing what. I told him I can't tell him unless you say it's ok. Is it ok to tell him, or do you want to?
